Arrangement

Lidija Dan (Дан Лидия Осиповна) appointed Boris Sapir (Сапир Борис Моисеевич) as a trustee for her literary heritage; he published some of the documents in 'Iz archiva L.O. Dan (From the archives of L.O. Dan)', Amsterdam 1987; the present metrage (1.20 metres) differs from the one given in the 'Guide to the International Archives and Collections' (1989); this is due to packing the documents in boxes rather than in the portfolios used previously; some documents belonging to the papers of F.I. Dan, such as letters to him, have been incorporated into his archive.
